

About Our Event

The Blue Butterfly Institute High Tea presents an opportunity for the Macarthur and Wollondilly communities to learn about what the Institute does for victims and survivors of sexual trauma, whilst supporting the development of new initiatives. All therapeutic services are donated to the Institute so that no one is unable to access early and vital support to empower their healing.

The afternoon will provide an opportunity to enjoy a beautiful High Tea at Campbelltown Cathoic Club, and to network with one another, whilst supporting a local NFP to continue to make a significant difference in the lives of survivors of sexual trauma, one in five Australians report.

Sexual trauma is the silent epidemic.
